

## Thematic Workshop on Emerging Technologies in e-Governance (January 11, 2019)

**HCM RIPA, Jaipur** in collaboration with **National e-Governance Division (NeGD)** is conducting a national level workshop on Emerging Technologies in e-Governance. The workshop will be an interactive module wherein, the experts from Government & Industry will share their experiences & prospective views on various **Emerging Technologies like Machine Learning, Artificial Intelligence, Block Chain, Data Analytics** etc. The objectives are to:

- Create awareness on the key emerging technologies in e-Governance
- Discuss requirements, use cases of application and implications of these technologies in Government.

### Target Participants

Officers responsible to observe emerging technologies in Central Line Ministries/Departments, State/UT department, e-Government related agencies, Academicians and SeMT.

### Registration Process & Fee

There is no course fee for participation in the workshop. Registration for the workshop program should be made online at the [www.tmis.negd.in](http://www.tmis.negd.in) and mail the copy of nomination letter to [singhal.rakesh@gmail.com](mailto:singhal.rakesh@gmail.com), but not later than December 21, 2018. Only online nominations will be entertained. The confirmation of participation, details of venue and change in date, if any, will only be communicated to the shortlisted participants at their registered e-mail ID.
